THE BEST KEPT SECRET

by Phyllis Du Bois

What is Rotary?

What does Rotary do?

As Rotarians, we know, of course. Now, here's an opportunity for our extended community to know what our fund-raising dollars have accomplished in the past and what entities currently benefit from our support.

The San Carlos Rotary Club will be presenting our most recent notable project –the 2.5 million-dollar San Carlos Youth Center –photos, news clips, etc., brief history of our 58 years and the first women to join our Club in 1987. We are 1 of 20 Clubs in the District 5150 which will participate in a 5-month exhibit at the San Mateo County History Museum – the old and restored Court House, Redwood City – from May 19th through October 19th.

QUOTE OF THE WEEK

“In heaven all the interesting people are missing.”

Friedrich Nietzsche

German philosopher (1844 - 1900)

Not only is the Museum viewed by a large percentage of the general public, but thousands of local and not-so-local school children visit the Museum on field trips.

The goal is to spread awareness of the remarkable contributions Rotary has made and will continue to make here in the Bay Area, and, of course, around the world. What better way “to get the word out” to the children...the very important “little people” who will become the next generation of Rotarians! Invitations have been sent to you for the opening reception May 19th, 2–5 p.m.; please respond by May 10th.

NOTICE

Last summer, when we were meeting at the Adult Community Center, one of our members generously purchased a projector for the club's use when a speaker needs it for their presentation.

Sadly, the device has gone missing and any information concerning its whereabouts would be greatly appreciated.

Please contact Chris Davis, our Program Chair, if you can shed any light on this mystery. Chris can be reached at (650) 595-7745.
