It is a time to remember those lost to cancer and celebrate those who have survived.

shared the same experience to comfort and console one another. During this event, we honor survivors during the Survivors Lap and we remember those we lost to cancer during the Luminaria Ceremony.

We also celebrate life, friendship, and a chance to work together toward a cancer-free future.

Most importantly, Relay gives you the power to help in the fight against cancer. By joining together as volunteers and donors, our efforts help the American Cancer Society strive toward a future where cancer doesn't take the lives of our friends and family.

When You're Smiling (1929)

Mark Fisher, Joe Goodwin, and Larry Shay

(Larry Shay discovered Bing Crosby)

When you're smiling

When you're smiling

The whole world smiles with you

When you're laughing

When you're laughing

The sun comes shining through

But when you're crying

You bring on the rain

So stop your sighing

Be happy again

So, Keep on smiling

Cause when you're smiling-

The whole world smiles with you!
