### OFFICE OF EMERGENCY SERVICES / HOMELAND SECURITY

The OES staff would like to encourage EVERYONE to PREPARE for the next major disaster. Luckily preparing for one type of disaster prepares you for all types of disasters. One of the first things that you can do to prepare yourself and your family is to create a Family Disaster Plan. You should also create an Evacuation Plan for both your home and neighborhood. After you have completed these plans, you should put together an Emergency Supply Kit for your home, office and car. *From the Sheriff's Dept. Website*
