### ***About the program***

The Rotary Foundation's Group Study Exchange (GSE) program is a unique cultural and vocational exchange opportunity for business-people and professionals between the ages of 25 and 40 who are in the early stages of their careers.

The program provides travel grants for teams to exchange visits in paired areas of different countries.

For four to six weeks, team members experience the host country's culture and institutions, observe how their vocations are practiced abroad, develop personal and professional relationships, and exchange ideas.

In a typical four-week tour, appli-

cants participate in five full days of vocational visits, 15 to 20 club presentations, 10 to 15 formal visits and social events, two to three days at the district conference, three to four hours per day of cultural and site tours, and three to four hours per day of free time with host families.

For each team member, the Foundation provides the most economical round-trip airline ticket between the home and host countries.

Rotarians in the host area provide for meals, lodging, and group travel within their district.

Jim McGovern reports that contributions to "Walking for Ben" for this year are approaching \$450,000.

This is a great achievement, and the Rotary Club of San Carlos commends Jim and Clare McGovern for their time and effort to see this endeavor succeed.

### Red River Valley

From this valley they say  
you are going  
We will miss your bright eyes  
and sweet smile

For they say you are  
taking the sunshine  
That has brightened our path  
for a while

*Refrain:*  
Please come sit by my side  
if you love me  
Do not hasten to  
bid me adieu

But remember the  
Red River Valley  
And the one who has  
loved you so true

*Red River Valley is a folk song often sung by the Sons of the Pioneers. Leonard Slye, a founding member of the group, went on to become Roy Rogers.-Ed.*
