RI and Gates Foundation commit US\$200 million for intensified push to finish polio

By Wayne Hearn & Dan Nixon

Rotary International News - 26 November 2007

Rotary International announced a partnership with the Bill & Melinda Gates Foundation on 26 November that will inject a much needed US\$200 million into the global effort to eradicate polio. The Rotary Foundation received a \$100 million Gates Foundation challenge grant, which Rotary will raise funds to match, dollar for dollar, over three years.

Rotary will spend the initial \$100 million within one year in direct support of immunization activities carried out by the Global Polio Eradication Initiative, spearheaded by the World Health Organization (WHO), Rotary International, the U.S. Centers for Disease Control and Prevention (CDC), and UNICEF.

“The extraordinary dedication of Rotary members has played a critical role in bringing polio to the brink of eradication,” says Bill Gates, cochair of the Bill & Melinda Gates Foundation. “Eradicating polio will be one of the most significant public health accomplishments in history, and we are committed to helping reach that goal.” © Rotary International
