ideal of service.

### *Steps to becoming a full-fledged Rotarian*

First, you should attend at least four meetings at the club of your choice, to help you decide of the feel of that club is a comfortable fit for you.

Second, you will need a sponsor in the club of your choice.

Third, upon approval of your membership application by the Board of Directors and members at large, you shall attend a short orientation meeting to familiarize yourself with what is expected of you as a Rotarian.

Immediately thereafter, you shall be introduced at the next club meeting as the newest Rotarian, you shall receive your Rotary pin, the club's by-laws, an invoice for your first year's dues, and a temporary red badge.

It will become your immediate objective to replace that temporary red badge with your permanent blue badge. This accomplished

by attending a COG meeting for further orientation about Rotary, and attending a Board of Directors meeting, so you may see the inner workings of your club.

### *Attendance requirements*

Each club has a minimum attendance requirement. You need to attend at least 60% of your club meetings. If you miss a meeting, you may make-up within 14 days before or after the date of the missed meeting by:

1. attending the regular meeting of another club and bringing a make-up card, or
2. attending a board meeting of your club, or
3. attend a meeting of a service committee to which you are assigned, or
4. go on-line to [www.rotaryclubone.org](http://www.rotaryclubone.org) and follow the directions for a make-up.

The most affected cities to date are Mobile, Alabama; Biloxi, Mississippi; Gulfport, Mississippi; Empire, Louisiana; and New Orleans, Louisiana. Rotarians are mobilizing in response to the disaster and relief efforts will be posted on this page as they are reported.
