Quote for the Week

"Regret for the things we did can be tempered by time; it is regret for the things we did not do that is inconsolable."

Sidney J. Harris (1917-86) Columnist for the Chicago Sun -Times

How Was Rotacare Formed?

In 1989 a family practice physician with a practice in Campbell, California was asked to see homeless patients residing in a shelter at Agnews Development Center in Santa Clara, California without charge. Dr. Mark Campbell and his wife, Renata, responded to the call.

A new Rotarian, Dr. Campbell approached his Rotary Club for help in funding the drugs needed to treat the patients he was seeing. Dr. Campbell's club was in District 5170. When the District Governor, John Fisher, heard of the effort he became interested in taking it to other Rotary clubs in the district. It wasn't long before these two leaders had interested other Rotarians and community members in their dream and formed a charter board. They shortened "Rotary Cares" to form the name and RotaCare was born.

From the beginning everyone involved agreed that it was critical to provide care to those least able to obtain it and that the care and the medications needed to treat the patient must be provided free of charge. This resolution became the mission of RotaCare.

Notice from Club Secretary

By an overwhelming majority (4 times the next highest vote-getter) you have elected to move to the Adult Community Center (ACC) at 601 Chestnut Street in San Carlos.

We will start on a permanent basis on Aug. 18th. The weekly charge will be \$22.00. There has been a discussion about trying several caterers.

Your regular attendance is requested and greatly appreciated as we end our stay at the Vans and begin at the ACC. Let's make our move back into San Carlos a joyous occasion. Be there or be square!

Yours in Rotary,
Stuart Johnson
